## Sales Bulletin: Sunroc Water Coolers

Ladies & Gentlemen,

Dobbin Sales is pleased to announce the addition of Sunroc water coolers to our existing line-up of top quality commercial plumbing products! Dobbin Sales will act as the Canadian Master Distributor for Sunroc pressure coolers, with inventory in our Toronto and Vancouver distribution centres ensuring quick delivery to all provinces.

Our team of Sales Representatives will support Sunroc products from coast to coast, with the same level of dedication given to the rest of the Dobbin package. The addition of Sunroc will enhance our current bid/spec offering, which now consists of; Sloan, Chicago Faucet, Haws, McGuire, Lawler and Geberit.

Copies of the Canadian price list will be available in PDF format very shortly. All Sunroc information will also be posted on our Customer Service Portal – [www.dobbinlink.com](http://www.dobbinlink.com). Dobbinlink provides real time access to inventory, list pricing, order status and shipping information. A mobile application has also been created so details can be viewed on your smartphone. If you haven't done so already, please take advantage of this service and contact any member of our team for sign up information. The following list of Representatives is ready to assist you with Sunroc:
